ARIA's procurement pipeline provides a forward look of our anticipated contract and grant sourcing activity over the next 3 months. Where possible, we have included all projects and anticipated procurements valued at £25k or more.

Neither the publication of this pipeline, nor any of the information presented in it, should be taken as a commitment or representation on the part of ARIA (or any other organisation) to enter into an arrangement or to proceed with a procurement. Circumstances may change and we cannot guarantee that the requirements, contract value, and/or timeline will be as stated. There may also be further sourcing activity that takes place that we are not currently aware of and which may therefore not appear on this procurement pipeline.

We will refresh our published procurement pipeline every 3 months.
